

# Mix n Blend Band

**Beat makers and producer duo of the band Jonathon Arnold and Kevin Ribbans have been Djing for 10 years and producing for 4/5 year as Mix n Blend. Through the years they have had the privilege of meeting some of South Africa's greatest musicians allowing them to form the Mix n Blend band.**

**The band consists of Ross Mc Donald and lee Thomson on horns, vocalist and MC extraordinaire EJ Von Lyric.**

**EJ Von Lyric has been writing and performing her own material ever since she started working on music as a career in 1997. Having a distinct interest in music production, she started producing her own instrumentals in 2001. Her music is an eclectic mix of funk, rock, dancehall, hip hop and roots reggae. She is a strong advocate for human upliftment and inspiration through the medium of music.**

**Ross Mc Donald is one of SA's top Trombone players he has played in some of SA top bands such as Hog Hoggidy Hog and Rudimentals.**

**Lee Thomson is a well-known South African Trumpet player who has been highly active in the South African music industry for the last 12 years. He is currently playing with Closet Snare, Hog Hoggidy Hog, Eartrapper, Dave Ledbetter and The Clearing. He has also played with The Springbok Nude Girls, Goldfish, Freshlyground, Restless Natives, Dave Ledbetter and The Collective Imagination.**

**The Mix n Blend band covers music from all spectrums ranging from Reggae, funk, hip hop, dubstep, dnb, breaks and glitch hop. It is a new venture for Mix n Blend in order to bridge the Gap between electronic and band performances as well as to bring a live energetic show to audiences by showing them the full spectrum of what goes into both electronic and band music production during a performance.**
