

PACE AND THE PULSE AND THE PEACE

By croc E moses 2008

Surely we've made all the right mistakes by now...fear not
Remember something's bubbling...*sompat'ing a bubbla'ting*
And it's better than our best thinking
It's a billion bubble drum hatching... dot to dot picture
everything overlapping in clapping laughter... adventure rapture
We are 7 billion faces of the same music teacher
Yes *sompa'ting a bubbla'ting*...It's a billion bubble drum hatching
And it seems to say...just come out
Whatever your closet is just come out
Because there is no more room in there
There's no more room for rumors...so just come out to play
Make way, make a way to play...just get out of your own way
Give love the right of way...Soon is enough...Give patience a chance
PACE AND THE PULSE AND THE PEACE

Howwwwww would i be if i wasn't giving rhythm
I know i've got to de-serialise my seriousness
De-realise my deliriousness...i think so...

Yes, live love, lets live love in the deep lane
This is the source, this is the source of super normal deliciousness
Help yourself to happiness...let yourself in
Let yourself in to the home of your heart
Dream in dream out...get the treasure off your chest
Make space make space make space
Shift your base...change your mood swing
Because *sompa'ting a bubbla'ting*
So play play attention
Rhythm is the decision 365 years a day
Rhythm is our mother tongue...we are rhythm driven
365 years a day
Give love the right of way
Dare dance dare sing dare drum
Inspiration is the sun...sunshine is for everyone.
Sun drum golden bass beat
Everybody drum shine positive vibration
Radiate proliferate *reincarbonate* celebrate
PACE AND THE PULSE AND THE PEACE

Sing together now, goodness gracious gorgeous you and me
That's everybody skanking in bubble laugh *irie-stocracy*
Goodness gracious gorgeous you and me
That's everyone bubble laugh *irie-stocracy*
PACE AND THE PULSE AND THE PEACE
There is a golden bass beat...and its called...laughter
We're 7 billion faces of the same music laughter
Who the laughter fit let them wear it
So let's start removing our armor
See the new knights in shining drama
Everybody unite in shining drama
And if you're gonna make anything make the jump
Receive the jump become the jump
If you're gonna take anything...take the step
One step no more foot prints
Let your roots take wing
Laugh and lift off...free your feelings...with grenades of laughter
Fire is our favourite colour

Come on lets feast on laughter
All together now...Lets shrink back to big...Lets shrink bigger
With uproarious, ludicrous, stupendous, rambunctious laughter
Surface if you need to
Don't panic if you don't have to
Your *hart* headed, you are really *hartists* at heart
We are all jems in gestation here
So go ahead and flaunt your *dieman* flaw
Who the laughter fit let them where it
PACE AND THE PULSE AND THE PEACE
Home sweet home
Drum sweet drum
Poem sweet poem
PACE AND THE PULSE AND THE PEACE
