TO WHOM IT MAY CONCERN

It is with pleasure we can certify that Paarman Landscapes is a paid up principal member in good standing of the Cape branch of the South African Landscapers Institute (SALI).

The aim of SALI is to improve and maintain the standard and quality of workmanship in the Industry and more specifically among its members. It serves as a forum for Contractors to meet and exchange technical and other information and to discuss matters of common interest. It also enables Landscape Contractors to speak as one voice in determining the destiny of our Industry.
