

**DON'T LET YOUR FREQUENT FARTER STATUS
STOP YOU FROM LIVING A FULFILLING LIFE!**

See your flatulence for what it is - a joyous, sensory
expression of the magic of the human body.

This book will help you:

- Accept your flatulence
- Live a full life despite - and even
because of - your excessive flatulence
- Learn tips and tricks for hiding the
sounds of your farts
- Learn tricks for disguising the smell
- And much, much more!
