justice and peace

Aftercare Programme

AfterCare Programme

Venue: St Mark's Hall

Goal:

The Programme is aimed at children/youth in the ages between 9 to 15 years:

- To create a safe environment where informal and formal learning take place (homework support, dancing, drama, sport, games, life skills, computer training etc.)
- Offer children/youth lunch, outings and excursions.
- Building a relationship with the parents/legal guardian and offer knowledge and skills, to enable them to support their children. Identify children and youth who need therapeutic support in co-operation with RAPCAN.

Our Dailey Activities:

Times: 14:30—16:30

Monday: Life skills

We facilitate Life skills which is set of human skills acquired via teaching or direct experience that are used to handle problems and questions commonly encountered in daily human life. Our subjects varies greatly depending on societal norms and community expectations. We do it informally by playing games and interacting activities.

Tuesday: Numeracy/ Literacy/ Reading

We guide the children to have the ability to reason with numbers and other mathe-
matical concepts, encourage literacy and reading.

Wednesday:

Homework & Arts and Craft

We focus on homework to assist the kids with projects and tasks. The Arts and Crafts requires a combination of skill, speed, and patience, but they can also be learnt on a more basic level by virtually anyone.

Thursday:

Drama / Singing / Dancing

We teach our children singing, dancing and acting, not only to perform on stage but more importantly to perform better in life.
