Remember something's bubbling...sompat'ing a bubbla'ting  
and its better than our best thinking  
It's a billion bubble drum hatching dot to to dot picture  
everything overlapping in clapping laughter... adventure rapture  
We are 6.5 billion faces of the same music teacher  
Yes sompa'ting a bubbla'ting...It's a billion bubble drum hatching  
And it seems to say just come out  
Whatever your closet is just come out  
because there is no more room in there  
There's no more room for rumours so just come out to play  
Make way, make a way to play  
just get out of your own way  
Give love the right of way  
Give patience a chance...Soon is enough  
PACE AND THE PULSE AND THE PEACE  
howwwould i be if i wasnt given rhythm  
i know i've got to deserialise my seriousness  
derealise my deleriousness...i think so  
yessss...live love, lets live a lot of love in the deep lane  
This is the source, this is the source of super normal deliciousness  
help yourself to happiness...let yourself in  
let yourself in to the home of your heart  
dream in dream out...get the treasure off your chest  
make space make space make space  
shift your base...change your mood swing  
because sompa'ting a bubbla'ting  
so play play, play attention  
rhythm is the  
rhythm is the

rhythm is the decision 365 years a day  
Rhythm is our mother tongue...we are rhythm driven  
365 years a day  
Give love the right of way

Goodness gracious gorgeous you and me  
That's everyone bubble laugh irie-stocracy  
Pace and the pulse and the peace  
There is a golden bass beat...and its called...laughter  
We're 6.5 billion faces of the same music laughter  
who the laughter fit let them wear it  
So let's start removing our armor  
See the new knights in shining drama  
Everybody unite in shining drama  
and if you're gonna make anything make the jump  
receive the jump become the jump  
if you're gonna take anything...take the step  
one step no more foot prints  
let your roots take wing  
laugh and lift off...free your feelings...with laughter  
come on lets feast on laughter  
all together now  
lets shrink back to big  
lets shrink bigger

free free your feelings with laughter  
surface if you need to...dont panic if you dont have to  
you're heart headed your're really hartists at heart  
we are all gems in gestation here  
we are too hot to burn  
so go ahead and flaunt your dieman flaw  
who the laughter fit...let them wear it
