“We are therefore Christ’s ambassadors, as though God were making his appeal through us”

2 Corinthians 5:20

“As a follower of Jesus Christ, I am sent out to live and work for His praise and glory. As I live out my Christian discipleship among the people and places of the week, I commit to:

- 1. **Pray for seven people by name:** that I may have an opportunity to share my faith with them.
- 2. **Live as salt and light in my workplace, school/college and local community:** so that people will know I’m a follower of Jesus.
- 3. **Commit to participating in my church:** through prayer, bible study, fellowship and service.
- 4. **Develop my understanding of my Christian faith:** so that I can explain in words the hope that is within me.”
