

# Theft from Motor Vehicles

**There is an on-going problem of theft from vehicles in our area – please help reduce crime by removing all personal possessions from your motor vehicle.**

Check that your handbag, laptop, cellphone, keys, clothing and any other items are removed from your vehicle when you park – even if you are going to be away only a few minutes! These days, break-ins occur for a R5.00 coin. While the box or bag on your back seat might be empty, the person walking past looking for opportunites doesn't know that! Remember: lock all vehicle doors. It is also best not to leave valuables in the boot.

**The Devil's Peak Vredehoek Neighbourhood Watch (DPVwatch)** has been active in the area since September 2008. We operate in close partnership with the South African Police Services and the Community Policing Forum.

Please report *all* crime incidents to Cape Town Police Station on 021 467 8001/2. Please use 10111 only in emergency.

***Become a member of DPVwatch.***

***Membership is free.***

For more information visit our website ([www.dpvwatch.co.za](http://www.dpvwatch.co.za)) or email us at [contact@dpvwatch.co.za](mailto:contact@dpvwatch.co.za).

Join our communal walks every Tuesday evening at 6.00 pm from Wexford Park, cnr Ludlow & Lambert Roads, and every Wednesday night, at 9 pm from the Spar, Derry Street.
